SECTION I

INFORMATION FOR MUSHERS

July 6, 2016

Hello Musers,

On behalf of the Boards of Directors, Staff, Race Vets and Officials, welcome to the 2017 Yukon Quest (YQ).

This Musher Package contains information you will need to prepare for the 2017 race. It includes a list of all mandatory meetings and events, other meetings and promotional events, copies of some of the required and optional forms, and information sheets. Over the next few months we will be sending you additional information.

All documents are available by request in hard copy from your designated YQ office.

The [Messages to Musers](#) section on our website allows fans to leave messages on your profile page. Please remember to check your page periodically to read these messages. If you would like to respond to messages, contact information can be provided by the offices upon request.

For all mushers from Canada and the international community (or who will be in Canada or abroad for the training season)

Your designated office is: Whitehorse

Your staff contact person is: Natalie Haltrich, Executive Director

For all mushers from the US (or who will be in Alaska or the US for the training season)

Your designated office is: Fairbanks

Your staff contact person is: Neil Gabbart, Assistant Director

If you have any questions concerning the contents of the package or about any aspect of the 2017 YQ, please don't hesitate to call, email or come by either office.

Sincerely,

Natalie Haltrich, Executive Director

MEETINGS & EVENTS

We have several events planned before and around the race – some are race-related, and some are focused on fundraising and promotion of the YQ. Our mushers are crucial to the success of our promotional and fundraising abilities. After all, you and your dogs are the stars of the show. While we require your attendance at some race events, we request that you attend as many other events as possible. This is the easiest way you can contribute to the success of the YQ and show your appreciation of the supporters and volunteers who make the race possible.

Meetings/ Events

Event times and locations will be provided nearer to race time.

EVENT	DATE	LOCATION	NOTES	WHAT TO BRING
Food Drop	Saturday Jan 21 st	Fairbanks & Whitehorse	Mandatory for all Mushers or Designees Contact YQ office for more info	Completed Food Drop Inventory Forms

Food Drop Inventory Form (Page 10)	Saturday Jan 21 st	Bring completed forms to Food Drop (need separate form for EACH Checkpoint)
Veterinary Health Certificate (Page 11)	Sunday Jan 22 nd	To be completed at Vet Check
Veterinary Exam Form (Page 12)	Sunday Jan 22 nd	Bring forms to Vet Check with top section completed. Fill in one page for every 4 dogs
Release and Hold Harmless Agreement	Wednesday Feb 1 st	You will be provided with a copy prior to Meet the Mushers , where it will be signed and notarized
Local Contact Form (Page 17)	Wednesday Feb 1 st	Submit to YQ office, or bring to Meet the Mushers admin time in Whitehorse

OPTIONAL FORMS & IMPORTANT DATES	DUE DATE	NOTES
Request for Additional Banquet Tickets (Page 15)	ASAP (before tickets sell out)	Each musher receives two tickets as part of their entry. Submit to designate YQ office if you wish to purchase additional tickets.
Request for Additional Straw (Page 14)	Friday Dec 2 nd	Submit to designated YQ office
Request for Housing (Page 16)	Monday Jan 2 nd	
Request for Microchips (Page 13)	Sunday Jan 22 nd	To be completed at Vet Check if required

FOOD DROP INFO SHEET

DATE/ LOCATION

Saturday January 21st, 2017 from 12-4pm

LOCATION

In Whitehorse – Kluane Freight in the Industrial area (100 Platinum Road)

In Fairbanks – Summit Logistics (3453 Truck Street)

ABOUT THE FOOD DROP

As per the 2017 race rules (See General Race Procedure #4), mushers must use the Official Food Drop service to ship all dog food, personal items and equipment necessary for the entire race (that will not be carried in your sled at the race start). The only exception is the Dawson City Checkpoint, where mushers have access to their handler's truck during the 36 hour layover. Mushers can also include equipment and food for dogs they need before the race start and/or after the race finish.

FOOD DROP PROCESS

- Mushers (or a representative) bring all marked and numbered food drop bags (along with the Food Drop Inventory Form) to the Food Drop (in either Fairbanks or Whitehorse) on January 21st from 12-4pm.
- YQ will issue receipt for the number of food drop bags dropped off. **BAG WEIGHT NO MORE THAN 40 POUNDS.**
- YQ commits to frozen storage of all bags.
- YQ ensures delivery of all food drop bags to each checkpoint.
- Food drop bags are organized by race (ie. YQ1000 or YQ300) and musher's last name. They are accessible for mushers upon arrival at each checkpoint.
- YQ Rules allow mushers to access ONLY food, equipment, and supplies for themselves and their team that was pre-packed and sent to race checkpoints through the Food Drop.
- Only one food drop location is to be used per musher.

HAVING A REPRESENTATIVE AT FOOD DROP

The YQ recommends that mushers deliver their food drop bags to the YQ Food Drop in person; however mushers may designate another person to deliver their food drop bags to the Food Drop. Mushers are still responsible for all contents and their delivery.

SHIPMENT OF FOOD DROP BAGS

Some mushers in the past have used professional expeditors to deliver food and equipment to the Food Drop. This has led to many problems like lost shipments, missed deadlines and thawed out dog food. We discourage you from going this route. Please contact your designated office before you ship any food drop items to us.

FOOD DROP QUESTIONS

The best way to learn some of the planning tips and techniques is to get in touch with more experienced mushers, or visit our Rookie Page and listen to mushers discuss their Food Drop preparation (<http://www.yukonquest.com/race-central/yukon-quest-1000-mile/rookie-information>).

ITEMS ALLOWED IN FOOD DROP BAGS

You may include dog food, personal food, clothing, dog blankets, booties, batteries, sled parts, extra clothing and other items you may need along the trail.

ITEMS NOT ALLOWED IN FOOD DROP BAGS

- Straw – **NO straw is allowed.** This is to ensure that all straw used during the race is suitable (some import regulations and trail areas have restrictions on types of straw allowed). See **Request for Extra Straw Form** (Page 14) for info about straw that is provided and additional straw that can be purchased for checkpoints.
- Fuel – **NO fuel is allowed** including alcohol, kerosene, or methanol. Methanol is provided at checkpoints.
- Firearms, ammunition, or any items prohibited by law.

- Any spoiled food products. Ensure that your food drop bags are kept frozen.
- If you need to ship any gear that does not fit into the bags, such as sled runners, please contact your YQ office as soon as possible and we will work with you to find a solution. Please be advised that no items to be accessible during the race will be received and shipped after the Food Drop date.

CUSTOMS

For any mushers coming from the Lower 48 or elsewhere in Canada who are shipping dog food independently, and travelling across the international border in your own trucks, you may be subject to all general import restrictions applied to the general public. These restrictions may include some of the animal products you are carrying as dog food! Please be aware that the US Customs and Canada Border Services have current regulations on importing into the country. For accurate information on what you are allowed to ship and take across the border, please see the appropriate websites:

- US Customs and Border Protection: <http://www.cbp.gov>
- Canadian Border Services Agency: <http://www.cbsa-asfc.gc.ca>

FOOD DROP BAG PACKAGING

Race rules state that all food and gear must be in **burlap or woven poly bags**. Plastic bags do not stack well nor do they ride on snow machines well. Each bag **MUST be labelled with YQ Race, musher name, checkpoint name, and numbering** (ie. 1 of 3, 2 of 3, etc). Write clearly in large block letters with permanent marker or spray paint. **Please make sure your bags have no other/old labels as this may cause your bags to end up in the wrong checkpoint.**

We recommend **sewing bags shut using heavy thread or twine**. Plastic electrical cable ties and regular wire may break during transport. Also make sure no loose, sharp ends are exposed. We will not accept any bags that are not labelled or closed properly. **INDIVIDUAL BAG WEIGHT CANNOT EXCEED 40 POUNDS**. Food drop bags exceeding 40 lbs will not be accepted and you will be asked to repack your bags. Please be respectful of our volunteers who are hauling hundreds of bags.

IF MUSER DOES NOT FINISH

Scratch: The musher can retrieve or make arrangements to retrieve their food drop bags. If the musher or designee cannot retrieve their bags, dog food will be removed to reduce the bulk and weight during transport, and a reasonable attempt will be made to return personal gear to the YQ office in Fairbanks or Whitehorse for retrieval. Bags will be emptied of all perishables, and stored by the YQ for up to 2 weeks. After this, all bags become property of the YQ, and will be discarded.

Withdrawal or Disqualification: Food drop bags will be immediately removed from the checkpoints, dog food will be removed to reduce the bulk and weight during transport, and a reasonable attempt will be made to return personal gear to the YQ office in Fairbanks or Whitehorse for retrieval. Bags will be emptied of all perishables, and stored by the YQ for up to 2 weeks. After this, all bags become property of the YQ, and will be discarded.

REQUIRED FORMS

YQ **requires** an accurate list of all food drop bag contents. Ensure that the complete contents of each bag are listed on the **Food Drop Inventory Form** (separate form required for each checkpoint, Page 10). You will be asked for this paperwork before you begin unloading your food drop bags at the Food Drop. *We cannot accept your food drop bags without your completed forms.*

VET CHECK INFO SHEET

DATE/TIME

Sunday January 22nd, 2017

Your designated office will contact you in early January to set up your Vet Check appointment time.

LOCATION

In Whitehorse – Northern Windows (#1-17 Burns Road)

In Fairbanks – Summit Logistics (3453 Truck Street)

ABOUT THE VET CHECK

As part of your Entry Fee, mushers have access to all veterinary services provided at the Official YQ Vet Check. The Vet Check is coordinated by the YQ to ensure that all mushers have access to professional veterinary assessments for all of their sled dogs prior to the Race Start.

New in 2017: A maximum of 18 dogs per team will be examined at the Vet Check (up from 16).

FOR ROOKIES

As a rookie musher, you must attend the Official Vet Check (see General Race Procedure #8 in the Rules for details).

FOR VETERANS

As a veteran musher, it is recommended that you take advantage of the Official Vet Check. You will have YQ authorized veterinarians assessing your dogs at one location and time, without additional veterinary fees. This will simplify the approval of your dogs for participation in the race.

Using the Official Vet Check ensures that all your required Vet Check Forms will be filled out completely and accurately and that any potential problems with any of your dogs are determined in advance of the race start.

If you want to have your dogs examined outside of the YQ Vet Check

Please contact the office as early as possible to inform us. We will need the name, clinic name, and contact information of the veterinarian who you wish to perform your Vet Check. The YQ Head Vet will then contact your veterinarian of choice to discuss the requirements of the Vet Check.

We will then contact you to confirm that your veterinarian has been approved to perform your Vet Check or to explain why you need to select another veterinarian. All Vet Check Forms **MUST** be completed during your Vet Check and submitted to your designated YQ Office. Incomplete and/or inaccurate Vet Check Forms will prevent a team from starting the race.

PLANNING FOR THE VET CHECK

Your Vet Check appointment will be made with your designated office in early January.

Microchips: All dogs in your YQ team must be identified by microchip. The Veterinarians must be able to read and record the microchip numbers of each dog. Microchips are available for purchase at the Vet Check.

Vaccinations: You will need to provide proof that all dogs in your YQ team have received their vaccinations as outlined in the 2017 Race Rules, see General Race Procedure #8. Please ensure that you understand and adhere to the specified dates and vaccinations required.

New for 2017: Vaccination records must be submitted to your designated office by 5pm on January 9th, 2017.

To Bring: Veterinary Examination Forms with the top portion filled out for all of your dogs and any additional medical history or notes that you have on your dogs that can be helpful.

If you have any questions about the Vet Checks or any requirements, please contact your YQ office ASAP.

QUEST GUEST PROGRAM

This program was created in response to the YQ Finishers Club's desire to actively participate in raising funds to increase the race purse. As a mandatory program for all mushers (as per Rules, General Race Procedure #5), this gives fans the opportunity to become the "Quest Guest" for their favorite musher.

The program works as an auction through the YQ website that will run for roughly one month prior to the race start (exact dates to come). This auction will be promoted through every means available on both sides of the border.

NET PROCEEDS FROM THIS PROGRAM WILL BE DIVIDED EVENLY AMONG ALL FINISHING MUSHERS.

Fans bid on the opportunity to become the "Quest Guest" for their favorite musher.

QUEST GUEST PACKAGE

- Lunch with your musher. Traditionally mushers are in meetings all day and the lunch break will be the first opportunity for the "Quest Guest" to meet and share time with you.
- One ticket to the Start Banquet to join your musher's table. **(Mushers - please keep this in mind when you are inviting guests to join you. Your "Guest" may have a partner as well)**
- Access Pass to the staging area pre-race to watch (help) your musher prepare.
- A seat in the 2nd "tag" sled that the musher will provide. Also, the musher will provide a handler to accompany the "Guest" to the "tag" sled drop point. This ride will be approximately 1.5 miles down the trail. Arrangements will be made for your Guest, handler and sled to be returned to the staging area as soon as possible.
- Autographed poster signed by your musher.
- Picture at the Start Line with your musher.
- Name read by announcer at Start.

We strongly encourage you to increase the experience for the bidders by **adding to your individual package**. This could be anything that you think would make you and your kennel more attractive to bidders and certainly at your discretion. **You can advertise any additional perks on the auction website by calling the Whitehorse YQ office.**

Administrative fees incurred by the YQ are roughly \$100 per musher (Start Banquet ticket, lunch, poster and photographer expenses). Bids will start at a minimum of **\$300.00**.

Please assist us by promoting this opportunity anywhere you can. More details will be sent to you in the Fall.

2017 FOOD DROP INVENTORY FORM

PLEASE BRING THESE COMPLETED FORMS TO THE FOOD DROP. Ensure that the complete contents of each bag are listed. YQ requires an accurate list of all contents for the Canada/ U.S. border crossing and permits. **NO STRAW IS ALLOWED IN FOOD DROP BAGS.**

Note: Use one form for EACH Checkpoint. Use additional copies of this form if needed for more than 6 food drop bags per checkpoint.

Medications Declaration Form

(to be completed by Musher)

As registered entrant of the Yukon Quest International Sled Dog Race, I have read and understand Trail Procedure #26 – Drugs, of the official 2017 Yukon Quest Rules.

I understand which medications (including herbal and homeopathic remedies) are prohibited. I also understand that any and all medications, whether prohibited or not, must be declared if they have been/ will be used from within the 30 days preceding the Veterinary Check to the finish of the Yukon Quest race.

I have provided accurate and complete information regarding any and all medications administered to any and all dogs entered in my Yukon Quest team. I also understand that I must inform the Head Veterinarian, before the end of the Pre-Race Musher’s Meeting, if any additional medications have been started/ administered since the Veterinary Check.

Musher Signature: _____ Date: _____

Veterinarian Name: _____ **Vet Check Time:** _____

Official Health Certificate

(to be completed by Veterinarian)

I hereby certify that I have inspected each individual canine listed herein and certify, to the best of my ability, that each is healthy, free of restricted drugs, and has all required vaccinations. These animals are in condition to complete a 1,000 mile sled dog race.

I have read *General Race Procedure #8 – Pre-Race Vet Check* and *Trail Procedure #26 – Drugs* of the Official 2017 Yukon Quest Rules.

I have certified that all dogs listed herein have current vaccinations, including parvovirus, distemper, and rabies.

Veterinarian Signature: _____ Date: _____

2017 PRE-RACE VETERINARY EXAM FORM

Please bring these forms to your scheduled Vet Check appointment with the top portion of the forms already completed (dog name, color, age, sex). Use one form for four dogs. **Note: you may bring a max of 18 dogs to the Vet Check.**

2017 REQUEST FOR MICROCHIP FORM

If you wish to purchase microchips through the YQ, please complete this form with the Veterinarian or Vet Check volunteers at the Vet Check. Advance notice of the number of required microchips can be sent to your designated office (the completion of this form is not required for advance notice).

All dogs require a microchip. For any dogs that do not have microchips, they are available for purchase at the Vet Check. The cost of microchips is estimated at \$15 USD each.

2017 REQUEST FOR HOUSING PROCESS

The YQ provides assistance to mushers in locating volunteer host families for the start in Whitehorse and the finish in Fairbanks to the best of our ability. **We do not guarantee housing.** You are responsible for making your own accommodation arrangements in Dawson City (no YQ-organized housing is available in Dawson City).

Housing will be processed on a first-come, first-serve basis as well as host family preferences. Once we have a host family for you, we will forward them your contact information as well as contact you with their contact information.

You are responsible for making your own arrangements and confirming details after contact has been established. **Please give the volunteer host families the highest respect, including keeping them well informed of any changes or cancellations of arrangements.**

Deadline for housing request: Monday January 2nd, 2017

HOUSING - WHITEHORSE

If you require housing in Whitehorse prior to the start, please contact Natalie Haltrich in the Whitehorse Office at yukonoperations@yukonquest.com

Please specify:

- Estimated arrival date
- Estimated number in party
- Estimated departure date

HOUSING - FAIRBANKS

If you require housing in Fairbanks after the finish, please contact Neil Gabbart in the Fairbanks Office at alaskaoperations@yukonquest.com

Please specify:

- Estimated arrival date
- Estimated number in party
- Estimated departure date

2017 LOCAL CONTACT FORM

Please submit this form to the YQ office or bring to the Meet the Musher's admin time on Wed Feb 1st. The information on this form will assist us in contacting you and your race support team for dropped dogs, important notices and general communications. **Please fill in ALL information on this form.**

Dawson	116 B & 116 C	(this is a single map)

Where to get the Maps

In Alaska:

Maps are available at the University of Alaska Fairbanks Geophysical Institute Map Office located in room 204 of the International Arctic Research Center (Akasofu Bldg), Fairbanks, AK. Telephone 907-474-6960.

In the Yukon:

Maps are available at Mac's Fireweed Books – downstairs in Map Sales, 203 Main Street Whitehorse YT Y1A 2B2. Telephone 867-668-2434.

Yukon Mapping Online:

The Yukon Government - Energy, Mines and Resources Department has an excellent online mapping tool available for free to the general public (<http://mapservices.gov.yk.ca/Lands/>). It includes a number of tools, data layers, and map views. Feel free to navigate through the interface and if you have any questions contact the Whitehorse Office.

SECTION II

INFORMATION FOR HANDLERS

July 6, 2016

On behalf of the Boards of Directors, Staff, Race Vets and Officials, welcome to the 2017 Yukon Quest (YQ). This package contains helpful information regarding trail procedures, rules, driving, packing tips and reminders to help you prepare for the 2017 race. We recommend that you *carry this document with you in the truck at all times*.

ABOUT THE PRE-RACE HANDLERS MEETING

- This meeting is **strongly recommended** for all 2017 YQ Handlers (i.e. bring the whole handling team).
- **Please BE ON TIME.**
- You will be given an overview of procedures, highlights and updated info. You will also be given an opportunity to ask questions.
- You will meet the Race Marshal, Head Veterinarian and possibly some judges and vets.
- Handlers for the 1,000 Mile Race are not permitted to attend the Musher's Meeting that follows.
- Handlers for the YQ300 will have a combined musher and handler meeting.

OFFICIAL YQ RULES RELEVANT TO HANDLERS

Here are a few important rules that are especially important for handlers. **Please note:** A full copy of the Official 2017 Yukon Quest Rules can be found on our website at <http://www.yukonquest.com/race-central/sign-yukon-quest> or acquired from either YQ office. **Please read and be familiar with them. You and your musher will be held accountable.**

RULE: Trail Procedure #4 – Thirty-Six (36) Hour Layover (Dawson City):

There is one mandatory thirty-six (36) hour stop at Dawson City, Yukon. Time begins when the musher checks in at Dawson City. All dogs continuing in the race must be kept in the designated holding area.

The following IS allowed in Dawson City:

- Delivery of food and equipment after the start of the race.
- Assistance with feeding dogs and repairing equipment.
- Tent shelters for dogs, limited to an open-ended, non-heated shelter.
- There are no restrictions as to where mushers can sleep during the mandatory 36 hour stop at Dawson City.

The following is NOT allowed in Dawson City:

- Removing dogs from the holding area.
- Housing dogs in dog boxes or vehicles.
- Bringing dogs other than those continuing in the race into the holding area.

RULE: Trail Procedure #5 – Start-Time Differential:

The starting-time differential will be added to the layover time either in Braeburn or Carmacks depending on where your musher will serve his/her four (4) hour mandatory stop.

RULE Trail Procedure # 13 – Outside Assistance:

No planned help is allowed throughout the race, with the exception of Dawson City. No driver may receive outside assistance between or at checkpoints unless an emergency has been declared by the Race Marshal, or is subsequently so

ruled. The intended spirit of this race dictates that the driver be self-sufficient and therefore able to help other drivers in case of real need. No assistance which would result in competitive advantage may be accepted or solicited. Handlers are not allowed on the YQ trail between checkpoints.

RULE Trail Procedure # 18 – Care and Feeding of Dogs:

All care and feeding of dogs will be done by the drivers only, except at Dawson City. Neither force feeding, nor stomach tubing is allowed.

RULE Trail Procedure #26 – Drugs:

YQ Veterinarians or Veterinary Assistants may randomly collect blood and/or urine samples beginning at the Vet Check and up until 2 hours after a dog team has finished, scratched, or been withdrawn or disqualified from the race. It is the responsibility of the driver to assist the Race Veterinarian or Veterinary Assistant in the collection of the samples. The driver or the driver's handler **must** be present at all times during the taking and sealing of such samples. Documents evidencing the procedure **shall** be signed by the driver or their handler. No person may interfere in any way with the collection of samples or procedures conducted under this rule.

RULE Trail Procedure # 33 – Sportsmanship:

The Code of the North dictates that all travellers should be courteous, helpful, generous and honorable. **Rude behavior or inappropriate actions by a musher or handler may result in a penalty, withdrawal, or disqualification.**

PROCEDURES FOR HANDLERS

The following general procedures will be adhered to throughout the entire race:

- Check in with the checkpoint manager, checker, or judge upon arrival.
- Park your dog truck ONLY in designated parking areas.
- Pay attention to where your exhaust is going when parked (i.e. Keep it away from other dog trucks that might have dogs in it or from blowing into the holding area or into buildings).
- Wear your Official Handler armband or neck tag (provided at the Handler's Meeting) when you are "working" at any checkpoints.
- If ever in doubt, ASK a Race Judge or the Race Marshal. They are the only people on the trail with authority regarding questions on rules, assistance or conduct.
- Checkpoint amenities are in place for use by the mushers; food and sleeping arrangements are not guaranteed for handlers. Do not eat the food or use sleeping quarters without first talking to the checkpoint manager.

CHECKPOINT, VET CHECKS AND DOG DROP PROCEDURES

A handler is not permitted to touch any dog, gear, equipment, food or water at any time, except:

- While parking a team or during immediate departure.
- Unless directed to do so by a Race Judge or the Race Marshal.
- Until after the musher and team have officially checked out and left a checkpoint.
- In an emergency where anyone is permitted to assist any team (i.e. dog fight, loose dog, loose team etc. to prevent harm to the dogs).

CHECKPOINT

Handler Arrival

When the handler arrives at a checkpoint, they are to identify themselves to the checkpoint personnel.

- The handler should inquire about the following:
 - The locations where the teams will be arriving and departing.
 - The location and limits of the holding area.

- Location of food drop bags, straw, water, methyl hydrate (methanol), musher's food and musher's sleeping area – info to pass along to your musher.
- Current standings and the approximate/expected arrival time of teams.
- Try to arrive at a checkpoint before your musher does. Prepare – talk with your musher well in advance of the race to:
 - Clarify their expectations AND yours
 - Develop the plan for camp set-up in Dawson City
- Keep an eye on what's happening in the race; things change and schedules can vary significantly with weather and trail conditions. Remember that bad weather will also influence your travel time.

Except in Dawson City, a handler is not permitted:

- To pre-order, pick-up or pay for food for mushers at checkpoints
- To access any services for mushers (straw, food drop bags etc...)
- To enter the mushers sleeping area –only a Race Judge or the Race Marshal can enter the mushers sleeping area to communicate with mushers.

Musher Arrival

When a dog team has entered a checkpoint and the musher has completed the official check-in procedures, the handler may then take control of the team's leader(s) or the sled and assist the musher in moving the team to the location designated as the parking spot for that team. After the team is secured, the handler must immediately leave the holding area. Give your musher information about the location of services (straw, food drop bags, sleeping quarters, food) or the location of a Race Judge or Vet.

Holding Area (Dog Yard)

- Only one handler per team will be authorized to be in the holding area at any time, except in Dawson, to *observe only*. If the musher is in the holding area, the handler must leave.
- When the handler is in the holding area of any checkpoint, the handler shall wear the YQI Handler armband or neck tag in a manner that is highly visible.
- While in the holding area, the handler may stand either at the front or at the rear of the team behind the sled. The handler may not walk back and forth or chat with the dogs.
- Know the rules and understand your responsibilities and limitations. If you are not sure about something **ASK** a Race Judge or the Race Marshal **BEFORE** you do it. They are the only people on the trail with authority regarding questions on rules, assistance or conduct.

Musher Departure

A handler is never permitted:

- To notify any checkpoint personnel of a musher's intention to depart a checkpoint.
- To sign any musher out of a checkpoint.

A handler is **ONLY** permitted to assist:

- When the team is being moved from the holding area to the check-out location for immediate departure.
- If instructed to do so by a Race Judge or the Race Marshal (i.e. this instruction might be issued if an entry or exit to an area is particularly tricky).

Handler Departure Responsibilities

Once your team has officially checked out and left the dog park, wait at least 30 to 60 minutes in case your musher returns, then enter the holding area and collect the supplies, debris and trash that were bagged by the musher prior to their departure. It is the handler's responsibility to clean up and properly dispose of all waste including trash, debris, straw, and animal waste. If you are unsure of disposal procedures/locations, ask a Race Judge or the Race

Marshal. *The musher will incur monetary and/or time penalties if this collection and disposal is not done properly.*
Rule Trail Procedure #9.

- It is *strongly* recommended that the handler have a hard tine rake and a broom style rake.
- Use good quality garbage bags to make your life easier (cheap ones break easily in the cold).
- Clean your dog team's parking spaces well.
- Do not remove food drop bags, clean up your musher's parking area, or leave a checkpoint less than 30 minutes to one hour after your musher's departure. *If your musher has to return to the checkpoint for any reason, they will not be able to access their food drop bags if they have been handled.*

VET CHECKS

- During mandatory Vet Checks or musher initiated vet exams at checkpoints, the handler will leave the holding area without being asked or instructed to do so – exceptions are in Dawson City and during the collection of blood/urine samples.
- The handler may be present at all times during the collection and sealing of blood and/or urine samples from their team and is authorized to sign the documents evidencing the procedure and **shall do so if the musher is not there.** See Rule Trail Procedure #26 Drugs.
- At no time may the handler administer or provide any type of substance including medications, food or water to any dog in any team within the checkpoint unless directed to by a Race Judge or the Race Marshal.
- When a dog is dropped from a team at a checkpoint, the handler may take physical custody of the dog **ONLY** from a Race Vet, a Race Judge or the Race Marshal AFTER the appropriate forms have been completed.

DOG DROPS

Remote Dog Drops

Handlers are not authorized to be at remote dog drops - Scroggie Creek and Slaven's Roadhouse. All dogs flown out of remote dog drops and Eagle checkpoint will be flown forward to the next road accessible checkpoint or dog drop (weather permitting).

McCabe Creek Dog Drop

Usually handlers are permitted and welcome to drive into McCabe Creek dog drop. The access is a 1 mile/1.6km narrow driveway. **This driveway is also the YQ trail.** Please drive slowly and watch for dog teams. Ask dog drop volunteers for advice on parking at McCabe Creek, as some areas are reserved for dog team parking. We suggest parking your dog truck at the pull out area near the highway and walking into McCabe Creek.

Retrieving Dropped Dogs

When retrieving a dropped dog from a Race Veterinarian, discuss that dog's condition carefully with the Vet – if you have any questions, **ASK!**

- Be sure that you completely understand any TREATMENT or PRESCRIPTION that the Race Vet recommends for your dropped dog – this is very important.
- It is advised that you have the dog checked again by a Vet six hours after being dropped, and in some cases regularly for 12-15 hours. Don't hesitate to have a dog checked again by a Race Vet at the next checkpoint or dog drop.
- Before leaving any checkpoint or dog drop, determine if your musher dropped any dogs there – don't start driving unless you KNOW that all of your musher's dogs have been accounted for.
- **When arriving at Pelly Crossing, Dawson City or Circle City,** check with checkpoint personnel to determine if any dogs from your team were dropped at a remote location and are waiting for you or are expected to arrive at that checkpoint.

DAWSON CITY MANDATORY LAYOVER

Dawson City and the 36-hour mandatory layover are unique features of the YQ. This is the **ONLY** time and location where handlers can take an active role in the care, feeding and treatment of the dogs in your musher's team and assist your musher with equipment and supplies. The **Dawson Campground Dog Park** is located in West Dawson across the Yukon River by Ice Bridge. The campground is on your right hand side. The Dawson Campground Dog Park is considered a holding area. Pay attention to the restrictions that apply.

The more you plan ahead for your Dawson Campground Dog Park routine, the easier it will be during the race and the more effective you will be in assisting your musher and the team. Know exactly what your musher wants in Dawson before the race starts. Have a plan and be ready when your musher arrives.

Handler Arrival

- A checkpoint volunteer will assist you in retrieving your food drop bags and designated straw bales.
- A checkpoint volunteer will also verify the correct dog park campsite number for your dog team.
- Determine where, when and how much firewood you can pick-up for your dog park campsite. This firewood is provided by the YQ and is only available for your use **after your dog team has officially checked in at Dawson**, but you may draw enough wood to have an established fire going when your team arrives.
- Until the first dog team has arrived in Dawson, you may drive your vehicle into the dog park at will. Once the first team has arrived in Dawson, the dog park is closed to all non-official vehicles. Dog truck parking is located outside the gates of the campground along the roadside.
- Once the first dog team has arrived in Dawson you may drive into the dog park **ONE** time to drop off all needed gear and supplies. Once those items have been off-loaded, you must move your vehicle out of the dog park ASAP. You are not permitted to wait until after you have your campsite set-up.
- Estimate your team's arrival time (check in with the checkpoint or on the YQ website).
- **BE READY FOR YOUR MUSHER** – Handlers can be of great help getting their teams across the Yukon River to their pre-established dog park campsite.

Musher Arrival

- Once your musher arrives, wait for them to officially check-in.
- Assist your musher in getting the team across the Yukon River and parked at your dog park campsite.
- Follow your musher's instructions carefully for rest, feeding, watering, walking/jogging, treatments, etc.
- Pick up immediately after your dogs, **ALWAYS** – **you are responsible for dog waste in the camp site area AND on the road. The road was left with an incredible amount of waste on it after the 2016 race. This will no longer be tolerated.**
- Know the timing of your Mandatory Vet Check and any Mandatory Re-Checks.
- Assist the Vet Team with any necessary urine samples & sign required documents (if musher not present).
- Double-check with your musher to see if they dropped any dogs at Scroggie Creek (odd-numbered years) or Slaven's Cabin or Eagle checkpoint (even years).

Handler Departure Responsibilities

Once your team has officially checked out and left the dog park, wait at least 30 to 60 minutes in case your musher returns. You can then break down camp, pack all gear and *completely* clean up your campsite (this includes bagging *all* straw). Once done you can bring your vehicle in to load. You are only permitted to leave the campground for the next checkpoint once your site has been inspected and approved by a volunteer or official. **NOTE: The Dawson City**

RCMP Garage was left in a mess after the 2016 race including dog waste on the floor. It is imperative that the space is left clean with each musher/handler's departure otherwise the YQ will lose its privileged use.

CONDUCT

The Code of the North dictates that "all travelers be courteous, helpful, generous and honorable".

Please remember that as a handler you are part of the overall YQ image and an ambassador to your musher. As such, your behavior and demeanor will be judged by all the people who observe us along the trail. It is critical that we all conduct ourselves in a friendly, courteous and professional manner.

The musher may incur a penalty, withdrawal or disqualification for rude behavior or inappropriate actions by a musher or handler. (Rule - Trail Procedure #33)

FINAL WORDS

Have fun and be safe. This is an opportunity to meet new people and see some beautiful country. Read the race rules and carry a copy in your truck. You are responsible for the rules that apply to you, and by extension, your team. The YQ is unique because you really are part of the team. Your actions can and will have a profound impact on your musher. Be supportive. Be patient. Let your musher "vent" if they need to. Everyone is going to be really tired, so try and stay focused on what your role is during the race. There have been some impressive blow ups between mushers and handlers on this race in the past; don't let it happen to you. Some input from Joe May below, used with his permission:

A NOTE FOR YQ HANDLERS

"Since the inception of the YQ, the handlers' convoy has, for some, proven to be as grueling as the dog race. Frozen engines, flat tires, and blown transmissions aren't unknown. Cooperation with other crews long ago has become the norm. Please help each other if needed. It's a long cold road.

The up side is that it's an opportunity to meet some great new people. Over the years, waiting in the checkpoints, and on the long haul between Circle and Dawson City, I suspect there've been marriages made, divorces announced, 300 mile silences, tons of potato chips consumed, and maybe germination of a notion to run the race someday. In any event, have fun, stay warm, and drive safe...." *Joe May*

Thanks for participating and have a great race!

PACKING THE TRUCK

Here is a list of highly recommended items:

- A hard tine rake AND a broom style/garden-leaf rake
- Hand warmers
- Long leash
- Good quality, strong and durable black garbage bags for clean-up
- Snow shovel and toboggan – good for setting up your campsite in Dawson City
- Water and food for everyone in your rig – dogs and humans
- Minimum 5 gallons of extra fuel
- Extra fluids for the truck - power steering, hydraulic, anti-freeze, oil
- Windshield wiper fluids, spare tire, jack, wrench

- Extra-long extension cord, battery charger
- A warm sleeping bag and extra winter clothing for road emergencies
- Maps, a copy of the YQ 2017 Rules, **and this document**

DRIVING THE YUKON QUEST

All road sections can be extremely icy and snow packed. Be careful. It's a long journey. This isn't a race for you. Stop when you get tired and convoy if possible. *Obey speed limits in communities in the Yukon to keep everybody safe. The RCMP is known for doing speed control during the YQ.*

Whitehorse to Braeburn (68 mi/ 110 km) From Whitehorse, you will head north on the Alaska Highway and turn right onto the Klondike Highway (north) following the signs to Dawson City. Braeburn Lodge is located on the Klondike Highway. Gas is usually available. It is recommended that you fuel up in Whitehorse. (Gas is reliably available at Carmacks, Pelly Crossing, and Dawson but check the station hours ahead of time.)

Braeburn to Carmacks (42 mi/ 67 km) From Braeburn continue north on the Klondike Highway. The checkpoint is located at the community center on River Drive. From the Highway turn left on Freegold Road and right onto River Drive. You will see the community center just up ahead.

Carmacks to McCabe Creek (40 mi/ 65 km) McCabe Creek Dog Drop is located at Mile 142 on the Klondike Highway. There is very limited signage so keep a keen eye out for the driveway on the left hand side (west side) of the highway. Handlers are usually permitted and welcome to drive into McCabe Creek Dog Drop, however **access is a one-mile long narrow driveway which is also the YQ trail**. Drive slowly, be careful, and watch out for dog teams. Ask Dog Drop volunteers for advice on parking as some areas are reserved for dog team parking. To avoid any conflicts we recommend parking your dog truck at the pull out area near the highway and walking into McCabe Creek Dog Drop.

McCabe Creek to Pelly Crossing (25 mi/ 41 km) From McCabe Creek continue north on the Klondike Highway to Pelly Crossing. The checkpoint is located within the Community Hall at the Northeast corner of town. Turn left at the gas station and follow the road toward the river.

Pelly Crossing to Dawson (155 mi/ 250 km) Continue north up the Klondike Highway. Turn left at Stewart Crossing. Watch out for traffic, especially large trucks. When you arrive in Dawson City, proceed to the checkpoint located within the Tourist Information Centre (Klondike Visitor Association) on Front Street.

Dawson City to Fairbanks (904 mi/1,455 km)

Take the Klondike Highway going south - back towards Whitehorse. When you reach the end of the Klondike Highway there will be a sign for the Alaska Highway. Turn right to head north on the Alaska Highway (away from Whitehorse). At Haines Junction (87 mi/ 140 km from the Klondike Highway turn off), you will turn right following signs to Fairbanks. It is best to fuel up before leaving Haines Junction – Beaver Creek and Destruction Bay have limited hours.

Between Burwash Landing and Beaver Creek, the highway is chock full of serious frost heaves, pot holes and rough road. Take your time and **slow down!** Just after Beaver Creek, you will go through American Customs at Alcan Crossing. From Gerstle River until about 6 miles east of Delta, watch closely for buffalo (bison) which are not shy about being on the road. Plan your rests, meals, and fuel-ups on this trip! It will take a long time and there will not be many good refueling opportunities along the way. Many gas stations have limited hours – check ahead and bring extra fuel.

Fairbanks to Circle (155 mi/250 km)

Completely fuel up your vehicle in Fairbanks and bring extra gas cans - there is no gas between Fairbanks and Central. After that, the road is narrow with lots of curves, overflow across the road and tiny to non-existent shoulders. Be extremely careful at 13 Mile Summit and Eagle Summit going in and coming out! When stopping at Mile 101 (Mile 101 Steese Hwy, 26 miles/42 km from Central) be very aware of the traffic on the road; snow plows will be out and about. It is a long descent down Eagle Summit before Central.

The Central checkpoint is located inside Central Corner, where food and fuel is available. Before you leave Central (33 miles/53 km from Circle), check your fuel tank. Fuel is available in Circle but with limited hours. On the drive between Central and Circle, be very careful! If you do go off the road the recovery vehicle will have to come from Fairbanks. Due to the serpentine nature of the road in this section, it's a slow drive which can be especially dangerous in the dark.

Two Rivers – approximately Mile 53 on Chena Hot Springs Road

From the Steese Highway, take the Chena Hot Springs Road exit and go to milepost 53 (53 miles). Turn left into the checkpoint area.

Handlers must park in the first parking area (it will be well marked). Handlers’ trucks will not be allowed past this first area as the checkpoint has very limited parking. Gas is available at Pleasant Valley Store (approx. Mile 23).

Two Rivers to Fairbanks (58 miles/93 km)

When leaving Two Rivers, turn right on Chena Hot Springs Road, going back the way you came, all the way to the Steese Highway. Turn left (southwest) on the Steese Highway, which takes you to Fairbanks. You are less than 10 road miles from the Finish Line.

GAS STATION LIST

Between Whitehorse & Dawson City

WHITEHORSE- numerous			
TAGS/ Husky	4221 4th Ave.	24hours/day 7days/week	
Petro CANADA	Mile 910 Alaska Hwy	24hours/day 7days/week	
BRAEBURN			
Braeburn Lodge	on Klondike Hwy (at Checkpoint)	0700-0100, full hours at race time	restaurant
CARMACKS			
Tatchun Center	on Klondike Highway	0730-2200	general store
PELLY CROSSING			
Selkirk Grocery	on Klondike Highway	1000-1900	grocery
Stewart Crossing (North 60 Petro)	on Klondike Hwy (btw Pelly & Dawson)	Mon-Thu 0900-1800, Fri-Sun 0900-1900	gas available 24/7 with credit & debit
DAWSON CITY			
Dominion (North 60 Petro)	in Dawson town site	Mon-Fri 0700-2100 Sat-Sun 800-2100	gas available 24/7 with credit & debit
Bonanza Esso	on Klondike Hwy (before Dawson)	0900-1800	grocery

Between Whitehorse & Fairbanks

HAINES JUNCTION- several			
Fas Gas	on Alaska Highway	0700 – 2100	convenience store
DESTRUCTION BAY			
Talbot Arm Motel	on Alaska Highway	0700 – 2300	restaurant/grocery
BEAVER CREEK			
1202 Motor Inn	on Alaska Highway	1000 – 2100	convenience store
BORDER CITY			
Border City Motel and RV Park	Mile 1225.5 Alaska Highway	0600 – 2200	Gas, convenience store, motel
TOK			
Multiple gas stations	on Alaska Highway	Extended hours	ATM, food, service
DELTA JUNCTION			
3 gas stations	on Alaska Highway	Extended hours/ credit card pump	

NORTH POLE			
3 gas stations	On Richardson Highway		convenience store

Between Fairbanks & Circle City

FAIRBANKS- numerous			
Sourdough Fuel	Airport Rd, S. Cushman, Farmers Loop	24hour credit card pump	
Fox General Store	Mile 11.5 Steese Hwy N	24hour credit card pump	groceries
PLEASANT VALLEY			
Pleasant Valley Store	Mile 23.4 Chena Hot Springs Road		groceries
CENTRAL			
Central Corner		Open during restaurant hours	Food, groceries
CIRCLE			
H. C. Company		Limited hours	Groceries, tire repair

*Please note - This is a guide and winter hours are subject to change.
