SECTION II

Information for Handlers

On behalf of the Board of Directors, Staff, Race Vets and Officials, welcome to the 2023 YQ100. This package contains helpful information regarding trail procedures, rules, driving, packing tips and reminders to help you prepare for the 2023 race.

About the YQ100 Musher/ Handler Meeting

- Thursday, February 9, 2023 – 3:00 p.m. at the Mount McIntyre Recreation Centre
- This meeting is **mandatory** for all 2023 YQ100 Mushers and one Handler per team. (Handler attendance is strongly encouraged.)
- **BE ON TIME** or early for this meeting. **Roll call is done at exactly at the meeting start time** with closed doors.
- You will be given an overview of procedures, highlights, updated info, and a chance to ask all your questions.
- You will meet the Officials and Vet Team.

The Rules

Official YQ100 Rules Relevant to Handlers

Here are a few important rules that are especially important to Handlers. **Please note:** A full copy of the Official 2023 YQ100 Rules can be found on our website or acquired from the Yukon Quest office.

RULE Trail Procedure # 26 - Outside Assistance:

No planned help is allowed throughout the race. No musher may receive outside assistance between or at checkpoints unless an emergency has been declared by the Race Marshal, or if an emergency is ruled to have occurred, after the fact. The intended spirit of this race dictates that the musher be self-sufficient and therefore able to help other mushers in case of real need. No assistance which would result in competitive advantage may be accepted or solicited. Handlers are not allowed on the YQ100 Trail between checkpoints.

Outside assistance is allowed for a team that is arriving at or leaving a checkpoint, including the start line. Any person may assist a distracted, tangled or off course team if it becomes apparent that help is required for that team to enter or exit in a safe and orderly manner.

RULE Trail Procedure # 44 - Sportsmanship:

The Code of the North dictates all travelers be courteous, helpful, generous and honourable. Conduct yourself well enough so the next musher will be welcomed with equal hospitality.

Rude behavior or inappropriate actions by a musher or handler may result in a penalty, withdrawal, or disqualification. This includes any publication, sharing, posting or comments deemed false, derogatory or negative towards any musher, race manager, official, volunteer, the Yukon Quest organization, or their sponsors or supporters. This rule is in effect from musher sign-up until 30 days after the finish banquet.

Any competitor or athlete worthy of the name realizes that all people – officials, volunteers, sponsors, media, and fans – are valued and important participants in this event. It is the musher's responsibility to embody the upper limits of human performance. A true Sportsman is an inspiration to all.

Procedures for Handlers

General Procedures

The following general procedures will be adhered to throughout the entire race:

- **Park your dog truck ONLY in designated parking areas.**
- **Pay attention to where your exhaust is going when parked (i.e. Keep it away from other dog trucks that might have dogs in it or from blowing into the holding area or into buildings).**
- **Please be courteous to everyone.**
- **If ever in doubt, ASK a Race Judge or the Race Marshal.** They are the only people on the trail with authority regarding questions on rules, assistance or conduct.
- Checkpoint amenities are in place for use by the mushers; food and sleeping arrangements are not guaranteed for handlers. Do not eat the food or use sleeping quarters without first talking to the checkpoint manager.

Carry this document with you in the truck at all times.

Finish Line Procedure

When the handler arrives at the Braeburn Finish Line, they are to identify themselves to the checkpoint personnel.

The handler should inquire about and familiarize themselves with the following:

- Debris/trash/straw collection or disposal points.
- The locations where the teams will be arriving.
- Prepare – talk with your musher well in advance of the race
- Clarify their expectations AND yours

Even if you have a schedule set up with your musher, keep an eye on what's happening in the race; things change and schedules can vary significantly with weather and trail conditions. Remember that bad weather will also influence your travel time.

Conduct

The Code of the North dictates that “all travelers be courteous, helpful, generous and honourable”.

Please remember that as a handler you are a part of the overall image of the Yukon Quest and your musher. As such, your behavior and demeanor will be judged by all the people who observe us along the trail. It is critical that we all conduct ourselves in a friendly, courteous and professional manner.

The musher may incur a penalty, withdrawal or disqualification for rude behavior or inappropriate actions by a musher or handler. (Rule - Trail Procedure #42)

Packing the Truck

Here is a list of highly recommended items:

- Food Bags
- A hard tine rake AND a broom style/garden-leaf rake
- Hand warmers
- Long leash
- Good quality, strong and durable black garbage bags for clean-up
- Water and food for everyone in your rig – dogs and humans

Driving the YQ100

Be careful. This isn't a race for you. Stop when you get tired and convoy if possible. Please try to get to Braeburn well ahead of your Musher's arrival.

Whitehorse to Braeburn (68 mi/ 110 km) From Whitehorse, you will head north on the Alaska Highway and turn right onto the Klondike Highway (North) following the signs to Dawson City. Braeburn Lodge is located on the Klondike Highway. Gas is usually available. It is recommended that you fuel up in Whitehorse.
