

Mandatory Meetings & Events

We have several events planned before and around the race – some are race-related, and some are focused on fundraising and promotion of the Yukon Quest. Our mushers are crucial to the success of our promotional and fundraising abilities. After all, you and your dogs are the stars of the show. While we require your attendance at some race events, we request that you attend as many other events as possible. This is the easiest way you can contribute to the success of the Yukon Quest and show your appreciation of the supporters and volunteers who make the race possible.

Meetings/ Events with Mandatory Musher Attendance
